**Have you ever seen a movie and then regretted it?** Check out [www.pluggedin.com](http://www.pluggedin.com) for honest reviews **before** you buy a ticket or rent. This website gives you a look at the general content, any objectionable content that may be in the movie, spiritual content, and basic philosophy of movies you may be considering. It's a great tool for parents who are concerned about the content to which their children may be exposed.
